About the Public Health Partnership Conference

We invite you to join us for a leading-edge public health conference being held virtually this year, our largest event of the year with hundreds of attendees from all parts of New York State and beyond.

This collaborative conference will offer scientific sessions in a variety of formats including large plenary sessions and smaller concurrent breakout sessions. Sessions will focus on issues and topics relevant to this year’s theme of *Air, Water and Food: Protecting Where We Live, Work and Play*.

The conference is tailored to public health educators, academic staff, county health officials and employees, students, medical and dental practitioners, state health employees and others in the field of public health, education and medical care.

We welcome all individuals, public servants and organizations who share a common interest of promoting and protecting the public’s health.
