NEW YORK STATE PUBLIC HEALTH ASSOCIATION

Envisioning Healthy People in Healthy Places

Promote and protect the health of all New Yorkers

Join NYSPHA!

Affiliation:

The New York State Public Health Association is the New York State affiliate of the American Public Health Association (APHA). We collaborate with APHA to strengthen our organization; share expertise, influence, and resources; and advocate for common priorities. APHA has awarded us Outstanding Affiliate of the Year, Excellence in Leadership, and Innovation in Public Health.

APHA champions optimal, equitable health and well-being for all. With our broad-based member community and 150-year perspective, we influence local, state, and federal policy to improve the public's health.

NYSPHA Committees

All NYSPHA members have the opportunity to join several active committees, including:

- Policy and Advocacy
- Public Health in Action
- Climate
- Mental Health
- Events/Annual Meeting Planning
- Membership
- Communications
- Fund Development

Committee participation offers the opportunity to amplify your voice, advocate for public health, and network with public health leaders.

Types of Membership:

- Student (\$25 per year)
- Early-career/Transitional (\$40 per year)
- Individual (\$75 per year)
- Organization (\$250 per year)
- College/University (\$500 per year)

As a member-driven organization, NYSPHA is committed to advancing social justice in our programs and initiatives. We actively strive to confront systemic racism and other barriers to achieving health for all.

Our goal is to empower and unite our diverse community of public health professionals and students across New York to create a future defined by equity, opportunity and lasting impact.

Mission:

To promote and protect the public's health through professional development, networking, advocacy, education, and public health practice.

Vision:

To serve as a leading voice and resource for public health in New York State.

Conferences & Webinars:

- Discounted rates on NYSPHA's Annual Meeting & Conference and other NYSPHA-sponsored events
- Leadership & Learning: Participate in workshops, panels, mentorship, and networking opportunities designed to keep you at the forefront of public health

Networking Opportunities:

- In-Person & Virtual Networking: Participate in member-only events, both online and in-person, to grow your professional network
- Connect with public health professionals across New York State to collaborate on projects and share knowledge
- Job Boards & Career Resources: Access exclusive career opportunities and job postings to advance your public health career
